LBAR.com goes mobile—search for properties on your phone

For release: January 14, 2009

Searching for properties and REALTORS® in Central Kentucky just got one step easier. The Lexington-Bluegrass Association of REALTORS® has launched a version of the popular LBAR.com property and REALTOR® search for your mobile phone. LBAR President Gale Fulton said, “We are constantly adding new features to our Web site and are very excited to offer a mobile property search.”

Need to look for a property on the go? Just visit www.lbar.com on your mobile phone. The mobile version of the property search allows you to easily search for all property types right from your cellular phone. You can search by address, MLS number, price range or zip code. You can also select county and property type as well as find your REALTOR’s® contact information.

As the region’s leading advocate for homeownership, Lexington-Bluegrass Association of REALTORS® (LBAR) understands the value and joy of owning a home. LBAR represents more than 2,000 REALTORS® living and working in Anderson, Bourbon, Boyle, Clark, Fayette, Franklin, Garrard, Harrison, Jessamine, Madison, Mercer, Montgomery, Scott and Woodford Counties. Visit www.lbar.com or call 859-276-3503 for buying and selling resources and real estate listings.
